

## SOLUTIONS FOR MARINE AND SHIP SPARES LOGISTICS

At WeFreight, we understand the importance of getting your maritime and ship spare parts where they need to be, on time and in perfect condition. That's why we offer a comprehensive range of services to ensure a seamless logistics experience for our customers.

### Our services include:

- Air and ocean freight forwarding for LCL, FCL, and oversize cargo
- Project management and consulting for all cargo and raw materials related to the shipping industry
- Door-to-door delivery with independent networks and reliable partners in major countries
- Spare parts delivery directly to vessels
- Price and service visibility for complete transparency
- Seamless export of goods and return of spares for repair or warranty issues
- Purchase order management and temporary storage
- Customs advice and prompt export customs clearance, accurate document operation progress for bonded cargo
- Same-day express pick-up service
- Temporary storage services for valuable cargo
- Competitive international air freight and LCL & FCL export services from the United Arab Emirates to worldwide destinations
