Opportunities for trade

- Bangladesh is the eighth most populous country in the world.
- It is known for its fertile land and is a major producer of rice, jute, and tea.
- The country has a rapidly growing economy and is focused on developing industries such as garment manufacturing, pharmaceuticals, and IT.
- Bangladesh is a major trading partner with India, China, and other countries in Asia.
- The country imports raw materials, machinery, and capital goods, and exports mainly textiles, garments, and frozen seafood.

WeFreight Bangladesh offices

How WeFreight Bangladesh can help you

A fast-growing population of over 164 million and one of the fastest-growing economies in the world make Bangladesh an attractive market for many companies.
