WeFreight Malaysia offices

## Opportunities for trade

- Malaysia is a Southeast Asian country located on the Malay Peninsula and the island of Borneo. It is the third largest economy in Southeast Asia, after Indonesia and Thailand.
- Malaysia is a major exporter of electronics, petroleum, palm oil, and natural gas.
- The country is also a significant producer of rubber and tropical hardwoods.
- Malaysia's major trading partners include China, Singapore, the United States, and Japan.
- The country's import market is dominated by machinery and equipment, chemicals, and petroleum products.

## How WeFreight Malaysia can help you

With a fast-growing population of over 32.6 million, Malaysia is strategically positioned for companies looking to tap into the ASEAN market, while the domestic market also offers strong opportunities for many companies. With a wide geographic coverage, using an experienced local partner such as WeFreight is important to ensure your goods keep moving as planned, be they for import, export or regional and domestic distribution.

WeFreight has established a network of its own offices in key markets across the globe along with partnerships with leading network of agents. This allows us to provide our customers with seamless services and support, no matter where their shipments are headed.
