

EXPERT MARBLE SHIPPING SOLUTIONS WITH WEFREIGHT TURKEY

Specialising in Container Stuffing & Secure Marble Transport

As a rapidly growing freight forwarder, WeFreight specialises in a broad spectrum of logistics services, covering ocean, air and road freight, customs clearance, warehousing, and project logistics. Located in Turkey, our Mersin branch is proficient in container stuffing of marble, leveraging local expertise to ensure safe and efficient handling of this valuable material. We provide comprehensive services tailored to meet the unique needs of our clients in marble exports. With Turkey being the 7th largest producer and 8th in marble exports globally, we understand the importance of handling such valuable cargo with utmost care and professionalism.

Our Services

- **Container Stuffing:** We ensure that every marble slab is loaded with precision and care.
- **Storage Solutions:** Get secure and accessible storage facilities, ensuring your marble is safely stored before transportation.
- **Lashing and Securing:** Utilizing top materials and techniques, each marble is expertly lashed and secured for safe transit.
- **Additional Material Supply and Application:** Extra protective materials are applied to each marble shipment, ensuring enhanced security and safety during transit.

Why Choose WeFreight?

- **Expert Handling:** We specialise in marble, ensuring your products are handled with the expertise they deserve.
- **Safety and Security:** Utilizing the latest equipment and techniques, we guarantee the safety and security of your marble throughout its journey.
- **Global Reach:** With a focus on key export regions, we connect Turkey's marble with the world.
- **Customer-Centric Approach:** Your satisfaction is our priority. We tailor our services to meet your specific shipping needs.
